

PROEL 

**SESSION1X &
SESSION1X FREE**

SESSION1X & SESSION1X FREE

*EXCEPTIONAL SOUND, WHEREVER
THE MUSIC TAKES YOU.*

*Take Proel sound quality with you in
every situation!*

*SESSION1X and SESSION1X FREE
are compact, powerful, and extremely
easy-to-use portable column systems,
designed for anyone who wants clear,
well-defined audio with effortless control
— from speech to live music and DJ sets.*

SESSION1X

*COMPACT,
INTUITIVE,
READY IN SECONDS*

SESSION1X is a compact, mains-powered column system, the ideal choice for fixed or semi-mobile applications where a power outlet is available, ensuring consistent performance with no battery limitations. Weighing just 14 kg, it delivers power and portability for conferences, live performances, and DJ sets.

SESSION1XFREE

*TOTAL FREEDOM,
NO POWER OUTLET REQUIRED*

SESSION1X FREE is a column system with an integrated battery that delivers maximum freedom thanks to its lithium-ion battery, offering up to 8–10 hours of operation. It is perfect for outdoor events, street performances, and fully mobile applications without cables. With a weight of just 14.5 kg, it is an ultra-portable system, and thanks to its hybrid mains/battery power supply, it provides total versatility.

Both systems combine a column featuring four high-definition 2.5" full-range speakers with an 8" long-excursion subwoofer, delivering a frequency response from 50 Hz to 18 kHz and a maximum SPL of 108 dB.

They are equipped with a 2-channel Class D amplifier rated at 400 W peak (200 W continuous) with SMPS, an advanced DSP processor for signal processing and dynamic control, and a 3-channel mixer with MIC/GUITAR/LINE combo inputs, 2-band EQ, and a USB/Bluetooth MEDIA PLAYER with STEREO LINK. **The new SESSION1X and SESSION1X FREE systems also feature a brand-new studio-quality digital reverb, enhancing the experience for singers, presenters, and performers.**

Lightweight and durable polypropylene cabinet, 3-piece fast-linking adjustable column system, padded carrying bag included, and 90°H x 60°V coverage.

WHO THEY ARE FOR

MUSICIANS

Ideal for live sets, showcases, and club performances, with fast setup and clear sound even at low volumes

DJS AND ENTERTAINERS

Perfect for weddings, private parties, and mobile DJ sets, with the ability to connect controllers, microphones, and mobile devices.

SPEAKERS, COMPANIES, AND SCHOOLS

For conferences, meetings, classrooms, and presentations, ensuring always intelligible speech and clear multimedia playback.

EVENT OUTDOOR

Especially with SESSION1X FREE, where the integrated battery allows hours of use without the need for a power outlet.
